

# Order, Manage and Track Your Equipment

Monitor the pulse of your Agiliti medical equipment with one convenient online tool: MyAgiliti. Through this secure portal, you can order and track equipment, manage inventories, access invoices, generate reports and much more. MyAgiliti is designed to make equipment management fast and easy for busy caregivers like you. Contact your Agiliti Representative today for a demo!

## Order

MyAgiliti streamlines the equipment ordering process. Our 24/7 information system continually processes orders - so you don't have to "call and leave a message." With MyAgiliti online ordering, you get the patient-ready equipment you need, when you need it.

## Manage

MyAgiliti gives you access to powerful tools for efficiently managing inventories of onsite and stored equipment. You can easily track equipment location, patient use and equipment availability.

## Report

MyAgiliti generates accurate reports on numerous aspects of equipment management, making your compliance efforts easier.

### Report Types:

- Rental equipment
- Technical services equipment
- Equipment-related patient information

### Report Features:

- Formatted for PDF or Excel
- Includes links to current and previous invoices

### MyAgiliti Features:
